

Hey Emilee!

I wanted to send some information about Recruitment for College Volleyball.

- [NCSA Volleyball](#)- lots of great resources on how to get recruited, how to make videos for recruiters to see, and all the guidelines and rules.
- NCSA has a [mobile app](#) to build your profile.
 - NCSA's Recruit Match platform enables student-athletes to find and connect with college programs at any time.

I've also attached information about [the differences between D1, D2, and D3 divisions](#).

I hope this is helpful. Feel free to let me know if you have any questions.
